Where do DePaul students go after graduation?

**Career Outcomes Rate**
Master’s Degree Recipients

- Employed 89%
- Continuing education 2%
- Not seeking 1%

99% of degree recipients are seeking employment

Compared with the previous year, a 9 percentage-point increase in those employed was paired with a 5 percentage-point drop in those continuing their education. The strong demand for computing graduates, especially those studying predictive analytics and gaming, was reflected in the results.

**Employment Details**

- 17% of employed graduates are in entrepreneurial, contract or freelance roles
- 94% of graduates in full-time roles are in a job related to their degree

**Employment by Industry Sector**

- 3% Government
- 5% Manufacturing
- 14% Nonprofit
- 79% Service*

*Service refers to all other for-profit organizations, e.g., banking, consumer goods, retail, hospitality, public relations
